Download beta as pdf. Upload the file to OpenAI and tell it you want to play.

You can ask for help, and the Narrator will respond.

You can trick the game and kill your opponent with a flamethrower. I'm not fun-shaming noone.

Inspiration:
   Spring Grand Sumo Tournament (https://en.wikipedia.org/wiki/2025_in_sumo) is in full swing and the off broadway production of Sumo (https://publictheater.org/productions/season/2425/sumo/) is coming up.
